Dear President Kolkman and Members of the Executive Board:

On behalf of the Kearney Area Chamber of Commerce Board of Directors I submit this letter of support in awarding the 2003 Nebraska Business Innovation Award to Dan Shundoff. IntelliCom, Inc., owned by Dan Shundoff, has formed a valuable partnership with Chamber of Commerce and the Kearney area community.

Dan has worked with the Kearney Area Chamber of Commerce both as a volunteer and a consultant. He has developed, administered, evaluated and enhanced our internal technological offerings. One area of ever changing advancement is technology. Dan and his employee's expertise have allowed the Kearney Chamber to take the leading, model role in technology as a trendsetter.

Dan has dedicated himself to the philosophy of service-oriented work for the betterment of the community and its technology. His belief and work in this movement is present in his past and is outlined in his future. As a goal-driven individual, it is apparent that Dan will continue his work as a true leader of our Chamber and Kearney area community. He has long-term plans with IntelliCom, Inc. that will surely be a success and make a difference for our area.

Thank you in advance for your consideration in awarding Dan Shundoff the 2003 Nebraska Business Innovation Award. The Kearney Area Chamber of Commerce appreciates the support that IntelliCom, Inc. has dedicated to the Kearney area and look forward to their continued participation in future projects.

Respectfully,

Roger Jasnoch
President
Kearney Area Chamber of Commerce
